Order Passed:- No. 2067-8 dt 2-5-95

The petitioner's application seems to be based on the modified view of the rules taken by Govt. under which the assessment of Kodaji Inam lands was revised. The Petitioner also says on the fact that the land was breached in 1873 and apparently relies upon that fact as entitling him to the imposition of only a quarter quit-rent instead of the present half assessment. The fact of the breach may be taken as true. The petition read above says the prayer will be that on the original of the Inam quit-rent for disposal on the assumption that the land was breached in 1873.
